Messrs. S. H. & H. Chapman,

Dear Sirs:-

Yours of the 27th to hand, with the four coins enclosed. I don't understand why you sent me the 1801 cent and the 1808 cent in good condition, after I ordered them in very good condition. Also, why you charge me \$.75 for each of them, when on the 13th inst. you quoted them to me at \$.75 in very good condition. In short, you want to charge me the same price for good coins as for very good coins; and there is quite a difference in the condition of coins, and should be a corresponding difference in price.

The Columbian 1/2 Dollar of 1892 is the only satisfactory coin sent me;- the Isabella Quarter is tarnished, and the two cents are not in the condition in which I wanted them for \$.75.

Considering this, I will keep the four coins as they are and send you the \$.14 postage, or else return the two cents and have you exchange them for two of the same date, but in very good condition; also, either return the Isabella Quarter, or let you exchange it for one which is uncirculated and not tarnished.

We both forgot to sign our letters, and I suppose this explains the oversight on your part.

Do you guarantee all your coins not to be counterfeit, restrikes, or altered?

Please write as soon as possible and let me know whether you will agree to any of the above propositions.

I am very sorry that this misunderstanding has occurred, and I hope it can be adjusted to our mutual satisfaction.

Yours very respectfully,

Willard W. Meyer

Miss M. A. & H. Chapman,

Gentlemen,

Yours of the 1st inst. received to
day, and for which I thank you.

The two coins you sent me are
very satisfactory, and I only regret
that you did not send them at first
instead of the ones I now send you in
exchange:

Very truly, yours,

Isabella Quarter, unc., but tarnished.

In your letter you say you can-
not furnish an 1808 cent. very good for
\$1.00, notwithstanding you only offer \$0.75.
I would not have given you \$1.00. But
"it will be all right now, since you have ex-
changed two coins, and given the 1808 cent
at a reduction. You will not need to refund
any money, for I will keep the four coins.
Having sent you \$2.25 at first,
I am sending you fourteen cents more."

I am very glad to hear of your
success.

Waiting for the
exchange, I remain,

Yours very respectfully,

Willard W. Hooper.

Messrs. J. H. & A. B. Chapman,

Gentlemen:-

Yours of the 24th inst. received.
I was much surprised that it is changed
to me.

On July 20th I made four pro-
positions, which I believe you would accept.
On the 1st inst. you replied that you would
exchange the Isabella Quarter and the
100 cent. You did not state specifically
which proposition you had accepted &
then complied with my request, and
for sent me the 5/17 in change, as I
had promised to do. I supposed that of
course, the matter was then closed
satisfactorily to both of us.

Now, I am willing to pay
8.75 for each coin except the 1508 c, which
you wanted me to buy 3th, is much
cheaper.

If you will reduce the price
of the 100 cent coin much, I will pay

Dear Sirs:—

Your card of the 27th is received.
I herewith enclose the 1808 cent.

Please send it back in acknowledgment
of this letter and enclosed coin. Also, kindly
state your least price per hundred, for
the coin envelopes which you use, but without
lettering. If you have, for sale, kindly
inform me where they can be obtained.

I am very sorry the coin is not
as valuable as I had hoped, but hope that all
it is worth to the collector. I am glad
that you are collecting coins and
thank you.

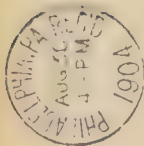

Thanking you in advance for
favor, at some time,

Very truly yours,
